The new generation of skin care

actiV Layr[®] Technology

1. A completely new, patented delivery system for skin care – an alternative to creams and dressings
2. Simple application delivering a controlled dose each and every time
3. All natural - no carriers, no preservatives, no emulsifiers
4. Clinically proven skin performance and skin repair extracts and marine collagen - nothing else
5. 100% pure, 100% natural, 100% New Zealand

Simple Ingredients

Marine Collagen Fibres

- Water soluble
- Sustainably sourced from hoki fish skins
- From the purest deepest oceans in the world

Fruit extracts

- Proprietary blends of New Zealand sourced kiwifruit, grape and berry extracts
- 100% water extracted
- Water soluble
- High bioactivity

Simple Delivery

- Simply apply to wet skin
- Convenient
- Quick and easy to use
- A controlled dose every time
